## Instructions and Placement Test Results

Student Name: \_\_\_\_\_

Birth date: \_\_\_\_\_ Age \_\_\_\_\_ Grade Level \_\_\_\_\_

Testing date: \_\_\_\_\_

Where to begin:

Please begin with unit number \_\_\_\_\_ on page number \_\_\_\_\_ and continue until 3 consecutive units are unfinished. Be sure to look beyond units where the student is unable to perform to ensure that there is nothing more he or she can complete.

Scoring:

Please use the answer sheet to score your students test and circle, on the following chart, the numbers of any units where the student scored below the minimum score. Place a / over the number where the student stopped.
